This form is intended for people who cannot attend a City Council meeting in person, but wish to submit Community Comments for Council consideration.

Submitted information will be compiled and given to each member of the City Council in advance of the next scheduled Council meeting, and will be recorded in the Community Comments section of the meeting minutes.

If you have any questions about the use of this form, please contact City Recorder [Kathy Mollusky](#). If you are concerned about day-to-day City issues or have a routine question, please use our [Citizen Support Center](#). We can generally answer questions or give you an answer within 24 hours when you use the [Citizen Support Center](#).
